

LIFE-HAMMER®
WE PROTECT LIFE

**SAFETY HAMMER
EVOLUTION**

Developed by the highest technical standards. When the head of the hammer is pressed against the side or rear window, the ceramic tip automatically shatters the tempered glass. Easy and safe to use by adults and children. Does not work on laminated glass.

SAFETY HAMMER EVOLUTION

Automatic safety hammer

- Safely and easily shatter the side or rear window. Does not work on laminated glass.

<https://vimeo.com/user12940431/review/76860772/333b7e98bd>
