

ALUBUTYL

- For use in waterproofing construction joints
- For waterproofing of buildings
- Excellent durability and water resistance
- Excellent anti-aging resistance
- Water vapor permeability: 0,5 g/m² - 24h

Art. No.	width	length	colour	Pack.	EAN code
AY5020	50 mm	20 m	alu-black	18	5407004561240

Adhesive: butyl rubber
Carrier: butyl + aluminium
Tensile strength: 118 N/25 mm
Adhesive strength: 20 N/25 mm
Thickness: 0,50 mm
